

Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, is a respiratory illness that is spread through the air via droplets from an infected person or by touching contaminated surfaces. It may cause severe illness, disability, and death, especially for seniors and persons with underlying health conditions. Children usually have mild symptoms, but they can infect persons in their household. Many who have the virus do not have any symptoms, which makes the virus even more contagious.

Despite our best efforts to follow all health and safety guidelines set forth by the CDC and the state of California, as well as local public health orders, Young Actors Stage cannot prevent you or your child(ren), or other family members from becoming exposed to, contracting, or spreading COVID-19 while utilizing Young Actors Stage's services or premises. It is not possible to prevent against the presence of the disease. Because it is a respiratory illness, there is a risk of exposure that a child could contract the virus while participating in a Young Actors Stage program.

RELEASE AND WAIVER

Knowing the risks and in consideration of my child being permitted to participate in Young Actors Stage's program, I hereby agree to the following:

On behalf of myself, my child, and other members of my household; we voluntarily waive, release, and discharge Young Actors Stage, LLC and its respective owners, officers, directors, managers, agents, employees, contractors, volunteers, or other representatives, (collectively "Releasees") from all claims, actions, or demands of any kind, nature, and description (collectively "Claims"), including Claims for damages for medical care and personal injury, including disability and death, which I, my child, and any other member of my household may have now or in the future against Releasees arising out of or in any way related to or connected with the participation of my child in the Young Actors Stage program which results in contracting COVID-19, Multisystem Inflammatory Syndrome in Children, or related illness.

This release is intended to discharge, in advance, Releasees from any and all liability arising out of or connected in any way with myself, my child, or any other member of my household contracting COVID-19 or a related illness even though that liability may arise out of negligence or carelessness on the part of Releasees in insuring strict compliance with the COVID-19 requirements. I further understand and agree that this COVID-19 Release and Assumption of Risk is binding on me and my child, and all other members of my household, and our respective heirs, executors, administrators, and assigns.

I have read this COVID-19 Release and Assumption of Risk and understand that I, and on behalf of the members of my child's household, are giving up substantial rights by signing it, and I am hereby attesting to the fact that I am representing the members of my child's household and I signed it voluntarily.
