

Parent Committee Descriptions

Hi Parents!

Putting on a production like this takes a lot of help! Each family is asked to fulfill one parent committee position. Please select your three choices on the registration form. We will assign positions based on the needs of the production and your selections. These are the things we need your help with...

Stage Crew: Be an important part of the show by working with us behind the scenes. Stage Crew positions include backstage crew, light board, music, sound, and projector operator. You must be available for your cast's 3 tech week rehearsals and 2 scheduled performances. Tech week rehearsals will be held during the last week of the session. You will learn everything you need to know during tech week.

Dressers: Help as a dresser during your cast's 3 tech week rehearsals and 2 scheduled performances. Tech week rehearsals will be held during the last week of the session. Adjust costumes, help with quick changes, and help keep the dressing rooms organized.

Front of House: Box Office, Concessions, Merchandise, and Usher shifts will be scheduled for performance weekend. Show merchandise and lobby setup will be scheduled during tech week. A FOH Runner will pick up concessions and other needed items during tech week and performance weekend to keep concessions and ice stocked.

Load in-Build-Load out: Load sets/props from YAS Studio into the theater and build the set. Strike the set and load out after the final performance. A large vehicle is helpful but not required. Please stay until all sets and props are put away.

Photographer: If you are an experienced photographer, please sign up to take publicity photos and photos of the production during rehearsals and tech week. Take the group cast picture. Upload all photos to the YAS photo site for cast members to enjoy. Must be available during tech week rehearsals.

Sets & Props: Help build, find, and create the show sets & props. Meetings and build days will be scheduled throughout the session.

Opt Out \$100 Fee: Although we prefer your help, we understand that sometimes helping is not possible. If you are unable to fulfill one of the parent positions, you may choose to "opt out" by including an additional \$100 fee with your registration.

Thank you!
